### Proposed changes to Guild management structure

The Guild is considering streamlining the Guild management structure. Currently, this is done by members of the General Committee who are elected Guild Officers, plus the Secretary and Guild Representative of the Branches (about 50 members). The General Committee meets twice a year. The reports and minutes of the meetings can be viewed on the ODG website at:

[General Committee Meetings - Oxford Diocesan Guild of Church Bell Ringers \(odg.org.uk\)](https://odg.org.uk)

Or look under *About the Guild\Publications\General-committee-meetings*

A proposal has been put forward to replace this structure with an Executive Committee consisting of elected Guild Officers who will be responsible for the management and running of the Guild, and setting future strategic direction

The General Committee will cease to exist but there will instead be a Scrutiny Committee consisting of approximately 20 members whose role is to scrutinise the work of the Executive and hold them to account. The membership of the Scrutiny Committee is expected to be: one spokesperson for each branch (15) and Ringing Vice Presidents

It is envisaged there will be in the region of six Scrutiny Committee meetings a year of which one will be a formal meeting in person.

Detailed papers referring to this can be found at

[General Committee Meetings - Oxford Diocesan Guild of Church Bell Ringers \(odg.org.uk\)](https://odg.org.uk)

Detailed papers describing the proposal are under the meeting of November 2024 and also the discussion points in the Minutes for that meeting.

In practical terms for the Branches, the role of Guild Representative would disappear. Each Branch would be asked to provide a spokesperson for the Scrutiny Committee

A copy of the changed Guild Rules can be found within the papers for the November 2025 General Committee meeting.

A vote on these changes will be taken at the AGM on 16th May 2026. If voted in favour, the new rules will be implemented ASAP.

### **Proposed changes to Striking Competition rules**

Recently, the Guild Youth team entered the 6-bell striking competition at Cuddesdon but their makeup did not comply with the current team rules, stated below

#### **Six Bell Competition.**

This competition shall be open to one team from each Branch. A Branch wishing to participate must be represented by a Tower Band from within the Branch.

(ie, they were not all part of the same Branch/same Tower, being drawn from all over the Guild), They were allowed to ring, and given a score, but not included in the results. There was much discussion on changing the rules to enable a youth team (up to age 19), drawn from different Branches of the Guild to be allowed to enter as a team in all the striking competitions.

The main argument in favour is that we should be doing all we can to encourage young ringers. However, there were quite a few arguments against!

In addition, it was noted that there are ongoing challenges in securing external judges for striking competitions and suggested permitting internal judges. The committee supported the amendment for using internal judges, subject to certain limitations. The changes re: the Youth Team entry in Striking Competitions and to using internal judges will be added to the Striking Competition Rules if voted in favour at the next Gen Comm meeting in March 2026.

### **The future of the Guild library**

The Guild librarian, Doug Beaumont, has served the Guild for many years and has now informed the Guild that he would like to step down. The Guild is very grateful for his service over the many years. The contents of the library have been housed by Doug Beaumont. The Guild now has the task of finding a new Librarian and also new premises to hold the material, which is substantial. Further information is in the General Committee papers for the November 2025 meeting (papers, Agenda item 6), and also, an email was sent via MemberMojo on 2/2/2026 to all members, explaining the current situation.

### **Other Business**

Peter Robson informed members that a mobile belfry will feature at the Swallowfield Show in late August.
